Environment of Trust

1. Always act in the best interest of the company
2. Never do anything that makes it harder for others to achieve their goals
3. Do whatever you can to achieve your own goals

- **Perks**

- Eligible for all perks and benefits for “All Staff”

- **Flexible Work Hours**

- Frankly, we intermix work and personal time quite a bit, doing email at odd hours, taking off a weekday afternoon, etc. As long as high quality, important, and consistent work is accomplished, employees make up their own work hours. Communication is key.

- **Remote Work**

- If a position’s responsibilities and tasks can be accomplished remotely, without adding unnecessary work for colleagues, employees have the opportunity to work at a location of their choosing!

- **Paid Time Off / Vacation**

- Our vacation policy is “take vacation.” We don’t have any rules or forms around how many days or weeks per year. Our leaders make sure they set good examples by taking vacations, often coming back with fresh ideas, and encourage the rest of the team to do the same.

- **Opportunities For Growth**

- We believe in our staff and want to compensate them accordingly. In lieu of annual cost of living allowances and incremental raises, we calibrate salaries to the market once a year. We aim to pay all of our people at the top of their personal market to attract and retain the best of the best.

- **Onsite Housing**

- For certain positions, *and if space is available*, we provide onsite housing. Rent and utility free.

- **Program Tuition**

- We provide access to all CHMK programs to eligible children of staff, tuition free.

- **Paternity/Maternity Leave**

- We believe that family comes first at CHMK. We work with each individual employee to come up with a mutually beneficial amount of paid time off that is meaningful for the employee. There is no set limit to Paternity/Maternity leave as it is agreed upon with each supervisor. Extended periods may be subject to unpaid time off.
